PREQUALIFICATION ADVERTISEMENT

I.L. Long Construction Co., Inc. has been selected as the Construction Manager @ Risk by North Carolina State University and is seeking to pre-qualify construction trade and specialty contractors to submit bids for furnishing labor, materials, equipment and tools for the:

North Carolina State University, Wood Residence Hall – HVAC Replacement
2541 Warren Carroll Dr.
Raleigh, NC 27607

Project Description:

This project will renovate the HVAC system in Wood Residence Hall buildings built in 1983 (three buildings, totaling 114,400 GSF). The HVAC system will be renovated to convert the existing two-pipe system to a four-pipe system for increased reliability and efficiency.

Principal Trades contractors are solicited for the following bid packages:

Bid Package 23A
Bid Package Description
HVAC
Estimated Budget
\$3,500,000.00

Bid Package 26A
Bid Package Description
Electrical
Estimated Budget
\$750,000.00

Additional Packages may be added or deleted by the Owner or Construction Manager.

I.L. Long Construction has a long-standing commitment to maximize minority and other HUB participation on all our projects, and we recognize the importance NC State University places on minority and HUB participation for all their projects. There is an established 25% MWBE goal for this project. I.L. Long Construction can generate custom solutions to support a successful project.

Examples of Potential Vendor Support: bonding access, joint checks, pay arrangements, insurance limits, optimizing bid packages, etc.

Prequalification forms can be obtained by emailing Rachel Collins at rcollins@illong.com.

Completed prequalification forms should be submitted to Rachel Collins by January 26, 2024. For further information or questions, please contact Rachel Collins at 336-661-1887 or rcollins@illong.com. Target bid date is late February 2024.

Outreach session information will be posted at a later date.

REQUEST FOR QUALIFICATIONS (RFQ)

PROFESSIONAL ENGINEERING AND RELATED SERVICES

The City of Lexington is seeking Statements of Qualifications from multiple firms to provide a variety of professional engineering and related consulting services. Firms with expertise in any of the listed services are encouraged to submit. Services include, but are not limited to:

- Preliminary Engineering Studies and reports
- Grant writing, applications, and administration in various departments
- Design, including field surveys, plan, and specification preparation
- Permitting (NCDEQ, NCDOT, USACE, FEMA, etc.)
- Construction Services including bidding, contract administration, and observation
- Asset and records management, Asset Conditioning (GIS, web hosting, etc.)
- Environmental engineering
- Land Surveying
- Transportation (planning, cost estimates, etc.)
- Floodplain engineering (cost estimates, permitting, plan review, filed inspections, etc.)
- Land development and planning
- Stormwater planning
- Financial analysis and rate studies
- ADA Transitioning
- Pavement condition surveys
- Bridge inspections

This request for qualifications is intended to provide the City of Lexington with a flexible and effective way to respond to a range of engineering needs with a selection of available firms ready to help in as many ways as possible. All interested firms are encouraged to respond to this RFQ.

Submittals will be accepted via digital upload only to the link provided in the RFQ document until 5:00 pm on Thursday, February 15, 2024.

The Request for Qualifications and Addendums can be downloaded at the following link: <https://cloud.lexingtonnc.gov/owncloud/s/y4HEOFVoUcdAwxQ>.

It is the responsibility of the proposer to make sure you have the latest version of all materials including addendums downloaded from the link provided.

All inquiries and questions about this RFQ must be submitted in writing by email to Mike Horney, Public Services Director at jmhorney@lexingtonnc.gov.

Issuance of this Request for Qualifications does not commit the City of Lexington to award a contract, to pay any costs incurred in preparation of a proposal, or to procure or contract for related services or supplies.

The City of Lexington encourages all businesses, including DBE, minority, and women-owned businesses to respond to all Requests for Qualifications.

The City of Lexington reserves the right to waive any informalities, to reject any and all responses to the Request for Qualifications, and to accept any responses which in its opinion may be in the best interest of the City of Lexington.

ADVERTISEMENT FOR BIDS

CLEVELAND COUNTY WATER

CONTRACT B - POLKVILLE AREA WATER SYSTEM AND STORAGE TANK IMPROVEMENTS SRP-D-ARP-0038

Sealed bids for the project entitled **Contract B - Polkville Area Water System Improvements** will be received by **Cleveland County Water** until **2:00 p.m. local time February 22, 2024**, in the **Cleveland County Water Board of Commissioners Board Room** located at **715 Polkville Road, Shelby, North Carolina 28150**. At said place and time, all Bids that have been duly received will be publicly opened and read aloud.

THE PROJECT GENERALLY CONSISTS OF: **Installation of approximately 16,600 LF of 8" DIP water line, new booster pump station facility, and all necessary accessories and appurtenances as detailed in the plans and specifications.**

Bidders and other interested parties should note that prequalification of equipment manufacturers by the Engineer prior to the bid opening is required for this project. Prequalification submittals for the following items will be accepted until **2:00 p.m. local time on February 8, 2024.**

Vertical Inline Pumps – Section 223120.

Digital copies of Bid Documents are available for purchase at www.mcgillassociates.com for a fee of \$100.00 per set. These documents may be downloaded by selecting this project from the "Bids" link and by entering **Quest Project Number 8924006. For assistance and free membership registration, contact Quest CDN at (952) 233-1632 or info@questcdn.com.**

Additional information regarding the bidding of this project can be found at www.mcgillbidline.com.

Each bid shall be accompanied with a cash deposit or certified check drawn on a bank or trust company insured by the FDIC, or a Bid Bond prepared on the form of Bid Bond contained in the Bidding Documents or a Surety Company's standard form and properly executed by a corporate surety licensed under the laws of North Carolina to execute such bonds. The amount of the bid bond shall be equal to **five (5) percent** of the total of the bid. The bid deposit shall be retained by the Owner if the successful bidder fails to execute the contract or fails to provide the required bonds, as stated above, within ten (10) days after the proper notice of award of the contract.

Bidders must comply with the requirements of the State of North Carolina and be appropriately licensed as a Contractor as provided in General Statutes Chapter 87. See NCDWIDWIMBE/DBE Special Conditions Package and Supplementary Conditions for additional bidding information and requirements.

Neither the Owner nor the Engineer will be responsible for full or partial sets of Bidding Documents, including any Addenda, obtained from any source other than the Owner's representative, McGill Associates, P.A. Each Bidder shall be responsible for the review of all addenda for the project and shall acknowledge the addenda on the bid form.

The Owner reserves the right to reject any and all Bids, to waive informalities, or to reject non-conforming, non-responsive, or conditional bids. The Owner reserves the right to award a contract to the lowest, responsive, responsible bidder or bidders, taking into consideration quality, performance and time.

Brad Cornwell,
General Manager

BLUM CONSTRUCTION

Trusted Builders. Exceptional Experience.

Frank L. Blum Construction will accept proposals until 2:00 pm on Wednesday, January 31, 2024, for the **UNCC Softball Locker Rooms and Offices project** located in Charlotte, NC.

The project consists of a new 1 story building housing offices, a locker room, and team room for the Softball team. The site is adjacent to the existing Wells Fargo Athletic Building. The project will provide needed space for locker rooms, coaching staff offices and meeting space, training room, and equipment storage for the softball team. The facility is anticipated to be approximately 5,000 gross square feet.

This project has a goal of 10% MWBE participation. Please include the provided MWBE forms with all bids. If MWBE subcontractors require assistance with bonding or payment terms, please let us know. Blum Construction has the ability to create custom solutions to support a successful project outcome. Examples of Trade Partner Support: quick pay arrangements, modified insurance limits, bonding access or alternative bonding solutions, joint check agreements, prequalification assistance, disaggregation of bid packages, alternate options for financial statements prequalification requirements, break out of materials and equipment to support cash flow.

Information can be obtained through our online plan room at <https://www.flblum.com/subcontractors/>. For more information, contact Alex Carroll at 336-896-9517 or alex.carroll@flblum.com.

Single prime bids for general construction work will be received until 3:00 PM on Tuesday, February 13, 2024, at the Facilities Services offices of **Pitt County Schools**, 300 Sylvania Street, Winterville, NC 28590 for the construction of the **Boiler Plant Renovations to Stokes Elementary School**. Bids will immediately thereafter be publicly opened and read. Bidders are welcome to attend the bid opening, but bidder presence is not required and no weight or other consideration toward any award decision will be given to any bidder's attendance or absence at the bid opening.

An open meeting and pre-bid conference will be held Thursday, January 25, 2024, at 3:30 PM, at project location, 2693 NC Hwy 903, Stokes, NC 27884. Complete plans and specifications for this project can be inspected and obtained at the office of the Engineer, Engineering Source of NC, PA, 102-A2 Regency Blvd, Greenville, NC (252) 439-0338 during normal office hours.

In accordance with federal regulations, the contractor must provide certification that it will not and has not used federal appropriated funds to pay any person or organization for influencing or attempting to influence an officer or employee of any agency, a member of Congress, an officer or employee of Congress, or an employee of a member of Congress in connection with obtaining any federal contract, grant or any other award covered by this amendment. Each must also disclose any lobbying with non-federal funds that takes place in connection with obtaining any federal award.

The Owner reserves the unqualified right to reject any and all proposals.
